COURT OF APPEALS SECOND DISTRICT

We have received in today's mail DENIAL LETTER refusing investigation report and no mention for brief preparation from Mr. John Brennan, Deputy Court Administrator working for Macomb County Probate Court. His letter dated April 30, 2021 is attached.

We again, submit humble request for court appointed staff attorney WHO WORKS AT APPEALS COURT to help in BRIEF PREPARATION to help get refund of all fees and why expenses paid without our consent to Lansing City based two attorneys? We have not got any household expenses paid from trust accounts. All attorneys' high amounts paid and our accounts eaten up by five named attorneys. List of attorneys enclosed against whom timely complaints filed to Attorney Grievance Commission and there is no agency response. Wondering why no response for supportive attorney representation and fully paid reimbursement paid from malpractice claim fund through Attorney Grievance Commission? Named attorneys should be disciplined. Appeals Court Action.

George Heitmanis trust attorney making backend payments when he was not trustee all last year 2020 with self-withdrawal not wanting to be conservator. Order which maybe dated February 26, 2020 from Judge Sandra Harrison and all orders not sent to us from lower court which is Macomb County Probate Court.

We have requested court administrators BOTH Mr. John Brennan and Mr. Bob Szalka for help in getting totals summary statement from each attorney how much they got paid and it could be yearly statement? They are refusing support. We also requested copies of bank cleared checks and who signed checks for attorney fees. No support from both administrators at Macomb County Probate Court. We requested, these documents be notarized from outside notary and not attorney secretaries as named attorneys stop their staff telling them not to reply to complainer requests. Requesting Appeals Court Action.

We want investigation report and brief preparation help from Macomb County Probate Court. However, in backend meetings at present attorney George Heitmanis has filed his fees approval statement which maybe \$3700 and this is last year alone attorney fees. Why legal action taker Mr. Bob Szalka, refuses to support us? We are victimized by attorneys who are not leaving trust account for last eight years. Deceased dad his name Chandu Mansharamani passed away on July 9, 2013 nearly eight years ago. There are no household payments to us from trust accounts. Why attorney all paid from trust accounts in high funds?

Requesting attorney counsel which could be outside attorney able to file complaints to help get refund all attorney fees and dispute why trust not voided when there were two versions and signatures in place? Why Macomb County Probate Court Judge had hearings for four years since January 2017 and why Heidi Aull who boasts she is successor trustee why not advised to initial trustee Savitri Bhama to void trust and give funds to aunt trustee?

Several attorneys paid very high amounts from small trust which is in dad's name "Chandu Mansharamani Living Trust"? George Heitmanis attorney DODGES female judge and no action taken by lower court. We complainer females are victimized and we have India looks and we both are USA citizens. Very polite request for court appointed attorney URGENTLY who could be outside attorney and fees paid by Attorney Grievance Commission. We did send attorney request to Attorney Grievance Commission with complaint forms about a month ago.

After voiding each trust all funds should be given to initial trustee her name Savitri Bhama and she is 87 age completed this year. If her death, we request humbly all funds to Rita C Mansharamani for her share and as caretaker DEAF mom Karuna C Mansharamani wants to

give her share to daughter Rita C Mansharamani. There shouldn't have been a trust for 85 ½ year beneficiary with damaged writing and no discussion with us with any named attorney. List of attorneys attached for discipline action.

Requesting attorney support for brief filing and urgent decision requested.

Respectfully writing,

Rita Chandu Mansharamani

Karuna Chandu Mansharamani

Enclosures:

- 1) Updated defendant attorneys with law firm contact details. Complaints were separately filed against each attorney. Why George Heitmanis trust attorney broadcasting communications to others? Intentionally damaging us after complaints.
- 2) April 30, 2021 Denial letter from Mr. John Brennan refusing confidential investigation report and no written denial for brief preparation. Therefore, email humble request sent.
- 3) May 3, 2021 follow up email to three staff attorneys who work at Macomb County Probate Court. Two requests: Confidential Investigation Report needed before brief filing deadline. Second request approve BRIEF PREPARATION with staff attorneys for filing in Appeals Court
- 4) April 20, 2021 post mail and proof of service provided to three staff attorneys at Macomb Probate Court
- 5) April 16, 2021 suggestion letter from Troy Branch Michigan Court of Appeals for brief preparation requesting refund of all attorney fees for last eight years. Trust accounts eaten up by attorneys. No one cooperating with direct requests.

To  
Staff Attorney Julie Strawn  
Macomb County Probate Court  
renee.tegel@macombgov.org

We sent postal letter request as suggested by Troy Branch Appeals Court & there were two requests

1) Confidential Investigation Report from staff attorneys why Chandu Manshsramani Living Trust not voided when there were two versions? Different version had business assets & no fund details. Police complaints were filed in year 2017, 2018 & maybe even 2019 for replaced versions & no complaint number written as case was in Macomb Probate Court. Former attorney never came to court his name Sidney Borders & orders written WITHOUT FINANCIAL DETAILS & initial trustee is very old in age 87 completed & why hearings held without her? Group forming attorneys are in crime not voiding trust & all funds to aunt related initial trustee her name Savitri Bhama. At present, George Heitmanis attorney is not cooperating with fees totals how much collected & requested copies of bank cleared checks for fees paid for last two years. He forces verbal approval from aunt with many calls & this has to stop. This attorney writing checks & these are damages from him & all backend check writing & now in backend meetings with Bob Szalka this attorney wants again last year's fees approved. Each attorney is writing checks for each other. Eating up small trust account in dad's name called "Chandu Mansharamani Living Trust"

Requesting confidential report from you Mr Charles Semarjian & you are staff Attorney.

Why Heidi Aull attorney did not recommend on letter head writing to void trust account & all funds to Savitri Bhama? It takes one hearing at Macomb Probate Court to void trust accounts Why four years case & Heidi Aull how much paid? No response from her & each request is polite & in writing by emails, work text to get cell phone, & mostly postal mail to her work law firm.

Kindly discipline these attorneys. We are India looks females but USA citizens & request polite action from you SUPPORTING us & my mom is deaf & we are petitioners. Mom is age 85 1/2 & her name Karuna C Mansharamani

2) Second very humble request to help prepare BRIEF & timely filed for Appeals Court in Troy Branch which covers Macomb Probate Court Jurisdiction. We cannot find attorney to accept case against five attorneys for FULL REFUND OF FEES & why trust not voided?

Kindly help us with Judge approval for brief preparation & as staff Attorney at lower court you are familiar with case & there will be quick action.

We never selected trust names. We never selected bank & why our communications not following ethics returned by John Brennan? Why George Heitmanis attorney never follows rules when replying & forwards to Government departments such as Medicaid in Ingham County where we live & damages us with phone calls & wanting control of funds & high fees collected? Why Mar 16, 2021 very late filing & no fund details providing bank trust account numbers why accepted one before hearing by court staff at Macomb County Probate Court? We were not prepared for hearing & it should have been dismissed & court time wasted.

Kindly take action against Marvie Neubauer attorney who is boasting trustee aunt Savitri Bhama retained her & why refund? Aunt is 87 age & difficult because there are many hospitalizations & doesn't appear for hearings & why hearings held at Macomb County Probate Court? Our funds highly depleted all attorney fees for last eight years since Chandu Mansharamani Dad deceased July 9, 2013 & trust is in his name.

Kindly help get refund from each attorney. We requested Notarized statement which summarizes collected fees from each attorney & no one cooperating. This summary statement must have bank cleared checks & who signed checks? Each attorney writing for each other high fees. There are no expenses to us paid from trust account anytime in the past.

Attorney Grievance Commission has Sidney Borders attorney complaint & never replied to Appeals Court in April 2017 when appeal was filed by two petitioners. Now requesting investigation report. Why this attorney gossip talks with Heidi Aull & George Heitmanis & group formed just to collect fees.

Why George Constance another attorney jointly appears with George Heitmanis. Both attorneys separately billing & got paid from Heidi Aull who boasts she is successor trustee & how much did she get from Chandu Trust?

Why five attorneys all in Macomb County Probate Court & accounts not closed? We never communicated permanent relocation to India to any attorney. Why George Heitmanis attorney at last hearing loose talking & no one to stop him on March 17, 2021. George Heitmanis attorney DODGES female judge always. How difficult for us as India look females to talk in court? Very difficult is the answer. Very POLITELY requesting your help with brief as there isn't much time for deadlines at Troy Branch Michigan Court of Appeals. Request BRIEF preparation help with confidentiality from all three staff attorneys & their names

- 1) Renee Tegel her bar license number P 53655
- 2) Julie Strawn her bar license number P 41404
- 3) Charles Semarjian his bar license number P 33108

Very humble request to discuss this case & help get full refund for expenses paid as fees to each attorney & there are five complaints each separately filed for Attorney Grievance Commission action. We haven't got reply from Attorney Grievance Commission recently for five complaints. Those attorney names are

- 1) Heidi Aull attorney her bar license in Michigan P 69119
- 2) George Heitmanis his bar license in Michigan P 32408
- 3) Marvie Neubauer attorney her bar license number in Michigan P 71556 & this attorney when Okemos City office & law firm name Shea Aiello PLLC why refused World's Largest Bank named Michigan State University Federal Credit Union (MSUFCU) for trust accounts for both of us & our names Rita C Mansharamani & Mom Karuna C Mansharamani? Boasting trustee Savitri Bhama hired her & why repay? She never represented we complainers females & why paid by George Heitmanis attorney showing Karuna C Mansharamani paid? Each attorney writing for each other high fees & why judge approvals IN BACKEND for attorney fees? Why Marvie Neubauer was approved for fees from Karuna C Mansharamani account? Refuses to cooperate & Shea Aiello Law Firm has closed & this female works from cell phone & has new address. Her phone number 1-248-629-9694 in Oakland County & should be disciplined for not appearing last year's hearing which maybe held Jan 26, 2020 & gossip talking with another attorney her name Heidi Aull to get case updates. This gossip talking was outside courtroom & why no action from Judge? We females requesting very politely for refund of fees in full. Payable to Rita & Karuna Mansharamani. No distributions to anyone. We are primary beneficiaries for Chandu Mansharamani Living Trust

- 4) George Constance attorney why represented & both this attorney & George Heitmanis separately billing & both formed group & both talk DODGING female judge & we are silent & unable to talk at hearings. Very polite request for staff brief preparation to discipline each attorney & help with full refund as just attorney fees are paid from "Mansharamani Family Account"

We have not requested any payments on our behalf. When damages are intentionally created from these attorneys who just wants fees & trust account is for fees only. We never signed bank accounts to be opened in our names & never requested George Heitmanis attorney to contact government departments to damage us & he gets fees paid? Government department Roseville Branch for Social Security Administration why carbon copy for Mar 16, 2021 reply to court forwarded with boasting George Heitmanis attorney is trustee willing to repay all prior years benefits given to us?

Chandu Mansharamani Living Trust was clearly worded no repayments to anyone for Rita & Karuna Mansharamani. Trust would help with household expenses only. Dad's wishes for purchase of house for vacation stay would be allowed by aunt trustee her name Savitri Bhama when both females keep relation with trustee. Marriage hasn't taken place for daughter Rita C Mansharamani & there are no expenses incurred. There are no payments made to us for all prior years & dad passed away July 9, 2013. Trust should be voided & all fees refunded from each attorney

- 5) Now former attorney Sidney Borders never appears in court & why collected fees from Savitri Bhama for last eight years? Initial trustee is advanced age 87 completed this year & she hospitalized several times & these attorneys by phone calls forced & create fear wanting verbal approvals & collected fees. Fear & clearly damaging her for non appearance at Macomb Probate Court hearings & George Heitmanis attorney talks against her at last hearing March 17, 2021 & Judge did not stop him from damage talks? Why law firm trust account has our funds & George Heitmanis attorney collecting interest? There are no interest entries in recent court filing & this attorney wanting fees approved

interest entities in recent court filing & this attorney wanting fees approved.

George Heitmanis attorney WITHDREW his services self petition after collecting funds for damaged trust wordings for two of us Rita C Mansharamani & Karuna C Mansharamani. He informed court funds would be transferred to Lansing Bank & case closed from his law firm. DODGES female her name Judge Sandra Harrison at Macomb County Probate Court.

Which bank funds are kept & why law firm trust account? Why no bank statements to us sent DIRECTLY? We are fully independent & there are no financial guardians & never in the past for both females names Rita C Mansharamani & Mom Karuna C Mansharamani. Both managing funds well & household expenses fully paid for without loans & keeping good health. There are no health guardians for each of us & we always have seen doctors & follow treatment plans. There were damages for George Heitmanis attorney in group crimes & SEVERAL PHONE CALLS to Lansing City based two attorneys whom we contacted for trust help & they became have been paid in backend by George Heitmanis attorney from Saint Clair Shores suburb city to Detroit which are cities in Michigan

Two Lansing City based attorneys have till clutter office & both work jointly. Their names  
Elias Kafantaris attorney  
&  
Robert Refior attorney

Our communications were seeking help to close trust accounts & informing them we are victimized by group of attorneys at Macomb County Probate Court. Instead of helping these two names for attorneys who are paid non-negotiated high fees without our consent from our accounts & checks from at present attorney George Heitmanis. Disputing each payment we have filed RECENTLY petition & there are two dockets in Macomb County Probate Court requesting refund & these penalties should be paid as reimbursement by George Heitmanis Law Firm. Very humble request for action from three staff attorneys working at Macomb County Probate Court

There is Bob Szalka meeting called after filing complaints for help with notarized document showing fees collected by each attorney with check copies & none of the attorneys cooperating. Official complaints filed to Attorney Grievance Commission against each attorney filed & we don't know why no reply from this agency? You know Bob Szalka doesn't take action to discipline these attorneys & in backend this attorney George Heitmanis wanting fees approved just for last year 2020 maybe about \$3700 attorney fees to his law firm Heitmanis Law Group PLLC located in Saint Clair Shores near Detroit, in Michigan

We need help with BRIEF PREPARATION from three staff attorneys at Macomb County Probate Court as there are several dockets intentionally created to confuse a person & it is no trust account for us but it is attorneys fees account. Why Judge Sandra Harrison takes no action at lower court which is Macomb County Probate Court? Requesting investigation report which will be forwarded to Appeals Court for official order FULL REFUND OF FEES & penalties imposed against each attorney & there are five attorneys

Our request is very clear & mind is clear & no hidden meanings from us & why damaged wording in replies because he is angry George Heitmanis attorney? This attorney George Heitmanis thinks John Brennan will save him & Bob Szalka will approve last year fees maybe \$3700 just to one attorney. He never communicated with us & his services were withdrawn but kept control of funds & intentional damages to us.

We need law firm insurance documents through staff attorneys support for MALPRACTICE claim directly to be filed by us. We are complainers & intend to file claim reimbursement complaint SEPERATELY for

each attorney Attorney General's Office this week. Do you need copies of complaints called consumer complaints individually & law firms separate. Action against both requested by us.

We are polite in every communication & talk nicely & yet damaged by attorneys who just want fees. None of the attorneys have met us to discuss case & solve trust case problems.

Very humble request to you & you are three attorneys called staff attorneys working for Macomb County Probate Court

Michigan Court of Appeals Docket Number Issued by Troy Branch Jurisdiction Covered: 356780  
Recent investigation report letter from Troy Branch Michigan Court of Appeals enclosed for staff attorneys' action at Macomb County Probate Court. Confidential Investigation Report to be sent to requesters directly for action at higher level to get back fees with damages for pain and suffering on us and polite writing for report. Kindly discipline named attorneys.

Dear Named Staff Attorneys,

Very polite and humble request for investigation report from lower court which is Macomb County Probate Court is requested from we females very urgently on following matter

Why initial trust named & recent hearing held Mar 17, 2021? Initial trust name Chandu Mansharamani Living Trust. Very politely requesting investigating if there are two other trusts in each of our names Rita C Mansharamani and Deaf Mom Karuna C Mansharamani age 85 ½ with damaged trust writings by George Heitmanis attorney? These writings are his imaginations and there were no discussion meeting at all with any attorney representing for these trust cases?

Why George Heitmainis at present attorney NOT PROVIDING bank details where our funds are kept? This attorney is in trust crimes and his mis-conduct activities dodging court at hearings and not responding to very polite request letters from us all last year and this year. Recent letters enclosed for DISCIPLINE ACTION against George Heitmainis attorney.

Mis-conduct activities why funds in checking accounts? Why bank if our names written NOT SENDING monthly statements to our house? We did not select each trust name for ourselves within last few years? When this trustee called as conservator WITH HIS PETITION terminated Heitmanis Law Firm services maybe Feb 26, 2020 last year order WHY HE WRITING CHECKS IN BACKEND? We both females never got invoices from two attorneys who did not represent well for damage INTENTIONAL from George Heitmanis making many calls to government offices such as Medicaid in Ingham County where we live and why he contacts damaging us to Roseville branch near Detroit for Social Security Administration broadcasting re-payment to these offices because he is trustee? With order from Macomb County Probate Court this attorney's checking writing to Mid-Michigan Guardianship Services, Inc in Lansing near our house is objectionable? Because of COVID-19 all offices were closed and there were no health visits monitoring from caseworker name Amy Velez and why and how did Mid-Michigan Guardianship Services, Inc get George Heitmanis law firm address for backend billings? These payments to two Lansing attorneys shouldn't be made from our trust accounts their names Robert Refior and joint attorney Elias Kafantaris for years 2019 and 2021 when no services provided and they are free attorneys with damages to get LIMITED health guardian granted from Ingham County Probate Court? Rita C Mansharamani regularly visits medical doctors for all prior years and why guardianship and keeping control of funds? There are no financial guardians for we both requesters very politely requesting termination report for trusts and help get full refund from each attorney and why several attorneys when trust is small in funds?

Disciplinary Action Requests against each attorney through Macomb County Probate Court staff attorneys team investigation report. Very polite and humble request with staff attorneys support get full report for all attorney fees why paid from few trust accounts. Check payable to Rita C Mansharamani and Karuna C Mansharamani with court order from Macomb County Probate Court. Refund from these named attorneys and they not cooperating with how much they got paid from us through forced verbal approvals from very old aunt, initial trustee age 87 completed and her name Savitri Bhama who is hospitalized many times and why court hearings held without this primary trustee not in appearance?

Disciplinary Action against named attorneys and they in trust fee collecting crimes. Contact details sheet attached for these attorneys:

- 1) Heidi Aull her bar license number in Michigan P 69119
- 2) George Heitmanis his bar license number in Michigan P 32408
- 3) Marvie Neubauer her bar license number in Michigan P 71556
- 4) George Constance his bar license number in Michigan P 39984
- 5) Sidney Borders former attorney why gossip talks with Heidi Aull and George Heitmanis attorneys on phone to get updates for case and complaints against him? Why Sidney Borders passed on personal information such as benefit approving documents from Medicaid and Social Security Numbers named attorneys to make himself look good and avoid any action against himself his name Sidney Borders FORMER attorney. Sidney Borders bar license number in Michigan P 11006

Why court hearings held when at present attorney George Heitmanis REFUSING transfer of funds to Mason City branch and this bank claims "World's largest bank University Bank" which

has several branches and bank name is Michigan State University Federal Credit Union (MSUFCU)? We sent bank trust opening forms and department is called "Specialty Accounts Unit" and why mis-communication at hearings from George Heitmanis who continues to talk and no one to stop him? All damaged talks and no fund details and no bank statements given to us, even with requests. Recent letters enclosed to George Heitmainis attorney.

Investigation Report requested which is combined writing investigating why several dockets in Macomb County Probate Court and why trust accounts not terminated with funds to initial trustee Savitri Bhama?

Very polite request to Macomb County Probate Court to end and terminate each and all trust accounts and URGENT closing fund amounts to its ORIGINAL STATE as per May 6, 2016 financial statement as provided with cover letter which is missing from former attorney Sidney Borders who is still in crimes for group talks and there were complaints against him. Why funds are less as per Mar 11, 2021 un-official not on bank letter head no trust names? This document is dodging we females because we are India looks and we both REQUESTERS file taxes timely and there are no trust tax on letter head from Heitmanis Law Firm? Investigation Report requested from three staff attorneys at Macomb County Probate Court. If there are fees REASONABLE to get this demand report please communicate promptly so we can pay with check payable to Macomb County Probate Court from requesters.

After all trusts are terminated all funds IN ORIGINAL AMOUNTS should be urgently paid to initial and primary trustee Dr. Savitri Bhama, MD who is age 87 completed this year. God willing, if her death then we both requesters want fall funds to daughter who is caretaker her name Rita C Mansharamani URGENTLY.

These named attorneys have wasted too much time in hearings and collected high amount fees from few trust accounts and all need to be repaid by these attorneys with DISCIPLINE ACTION from Michigan Appeals Court Troy Branch.

Very Sincerely Writing,

Rita Chandu Mansharamani

Karuna Chandu Mansharamani (Deaf & advanced age 85 ½)
